### Program Features—No Fine Print!

- **FLEXIBLE—BUY SUPPLIES ONLY WHEN YOU NEED TO.**  
No monthly, quarterly or annual requirements. Simply purchase your Target level over two years and receive your free laminator.
- **FREEDOM TO BUY FROM WHOMEVER YOU CHOOSE.**  
You can buy supplies from any company you choose. Of course with your 25% deduction from future purchases, our very competitive prices and fast service, we like to think you'll always do business with Artgrafix. But freedom to choose is always great.
- **STANDARD FREIGHT IS INCLUDED AND PAID BY ARTGRAFIX.**  
You will only pay for special services if needed, such as residential delivery, lift gate or other services. And then you will only pay just for those services.
- **EASY END OF PLAN REQUIREMENTS.**  
Buy your Target amounts and the laminator is yours to keep. Buy less and pay 30% of what your ending Deposit balance is or return the laminator to us **NO QUESTIONS ASKED.** In no case will you pay more than MSRP for your laminator, even if you do not buy any supplies from Artgrafix.
- **EXTENDED WARRANTY BACKED BY D&K.**  
Instead of the normal 1 year parts warranty, your PTO Agreement includes an extra year to cover the full two years of our Agreement. And it comes directly from D&K, an American company with parts readily available if you need them.
