The path to your new Purchase To Own (PTO) Laminator

EXP 42" Pouch Laminator

1. Select the laminator which best meets your needs

- **D&K EXP 42" Pouch** for volume up to 15 prints a day on average. Uses prefabricated pouch boards and film pouches. The easiest way to laminate ink jet prints
- **D&K SuperKote 42" laminator** for volume encapsulation of adhering film to both sides of your print
- **D&K EXP Pro 42" Roll** for a wide range of mounting and laminating applications. Good for larger volume jobs.
