2007

We start once the ink is on paper...

…and help you convert your prints into signs and displays. Our goal is to enable more people to mount, laminate and display their printed images. We do this by fabricating products which eliminate several steps and make the mounting and laminating process easier.

Many of the items you will see in this book are unique to us and include Pouch Boards made from a wide variety of films as well as many different mount boards coated with adhesive. These items offer good value and convenience to people completing displays.

Nobody prints a large color graphic without wanting to display it. While there are many different types of displays, most are made in the same manner. If you need any assistance in planning your next display project, our hands on experience will help you select the right films for your job and allow you to accomplish more sales.

Thank you again for your business and we look forward to speaking with you soon.

Jeff Stover and
the Artgrafix Team

Sign and display presentation solutions

Mounting adds value

Mounting adds rigidity and keeps prints flat forever. With moderate volume of up to ten 40" wide prints a day, look at our ProSeal® System.

Convert a print into a display

Do more than just protect your print. Make signs and displays from your prints with our Stand-up Pouches, adhesive boards and accessories.

Banner stands add portability

All of our banner stands come with carrying cases and our lightboxes are light weight and portable.

Fast and Economically

Wide Format Laminators

Wide Format Pouch Laminators for mounting 10+ posters daily

D&K EXP 42 Pouch Laminator This 42" pouch laminator features digitally pre-set temperatures and variable speed settings for professional results every time. Only 15" deep and 12" tall, this space saving design allows it to fit on a table or cart. The EXP 42 requires only 110V electricity to operate. Easy cleaning silicon rollers, minimal sound and heat, and modern design make the EXP 42 appropriate in all settings. Warranty—6 months Parts and Labor, 1 year Parts from D&K. **Training Video included with each machine.**

Supplies on page 7 & 8

EXP 42" Laminator (608245) $2,988   Ships via truck

Economical full featured cold laminators for signs and displays

Daige QuikMount 4 Laminator Available in 4 widths—25", 38", 55" and 65". The QuikMount laminator features adjustable speed and nip settings up to 1" thick. Supply shaft, core chucks and foot switch for hands free operation are included. Requires only 110V electricity to operate. Integrated Stand available for $195. Warranty—6 Month Factory Warranty from Daige.

Supplies on pages 3 to 5

QuikMount   **65" Laminator (DG-QM465)** $2,199   Ships via truck
            55" Laminator (DG-QM455) $1,799   Ships via truck
            38" Laminator (DG-QM438) $1,349   Ships via truck
            25" Laminator (DG-QM425) $1,049   Ships via UPS

Commercial Heated Laminators for large volume jobs!

D&K EXP Plus Laminator is available in 42" and 62" width. It features top and bottom heated rollers, an automatic take-up for release liners, cooling fans, footswitch, integral stand and foot pedal. Works with boards up to 1/2" thick and speeds up to 10 feet per minute. Silicon rollers and precise pressure/nip adjustment mechanism make this full featured machine easy to use.   Warranty—6 months Parts and Labor, 1 year Parts from D&K. **Training Video included with each machine.**

Supplies on page 5 & 6

EXP 42" Laminator (608247) $4,995   Ships via truck
EXP 62" Laminator (608251) $8,995   Ships via truck

Carts Available for both the 25" and 44" Laminator. The two-shelf carts are constructed from steel and feature rugged locking casters. Save space by storing next to a wall and moving it when you are ready to use.
          44" Cart (607570)   36"H x 60"W x 30"D $ 399
          25" Cart (607560)   36"H x 45"W x 30"D $ 329

Complete Kit packages include stands, cutters and supplies
A Savings of 10% on both your laminator and supply items when purchasing a kit!
We have a suggested Starter for every laminator we sell.

Mounting Boards

Self-Adhesive Foam boards
Foam board with a pressure sensitive or "cold" permanent adhesive ready for mounting prints. Boards are 3/16" thick. **Smaller sizes in stock—see document mounting**. *Repositionable adhesive available.

Custom Cut Size Boards
Special sizes and orders are always welcome. Minimum order $50. You can calculate your own prices at **www.mountboards.net or phone us for an instant quote.** Typical time to complete a Custom size order is 3 days. All of our prices include overpacking for UPS requirements.

Pressure Sensitive Cold Films

D&K Direct Adhesive Roll Films and Sheets

Double-sided Mounting Adhesive Rolls
Choose from indoor lo-tack adhesive - good for most inkjet prints—or outdoor adhesives designed for heavier papers and hard to stick boards such as Gator or Sintra pvc. Both self-wound with a single silicon easy release liner. All rolls are wound on 3" cores and are 200' long.

Type	25"x200'	38"x200'	41"x200'	51"x200'
Indoor	$139 (MES25200)	$199 (MES38200)	$229 (MES41200)	$274 (MES51200)
Outdoor	$189 (MG25200)	$254 (MG38200)	$276 (MG41200)	$340 (MG51200)
White Back	$199 (MU25200)	$288 (MU38200)	$299 (MU41200)	$395 (MU51200)

Look

Double-sided Mounting Adhesive Sheets
High quality double-sided film with silicon liners on both sides. Adhesive is hi-tack solvent acrylic strong for any indoor or outdoor requirement. pH neutral, safe and will not yellow over time. (25 sheets/pack)

8.5"x11"	11"x17"	18"x24"	20"x26"	24"x36"	26"x40"	32"x40"
$19 (970003)	$39 (970004)	$79 (960098)	$99 (510091)	$129 (960097)	$149 (510092)	$179 (510092)

Over-Laminate Roll Films
High quality over-laminating films with acrylic adhesives. Gloss film is a thin 2 mil polyester film while the luster and matte films are a 3 mil vinyl film. Gloss film has a crack and peel clear film release liner to insure glass-like results while the matte and luster have a thick paper protective release liner which is easy to work with and control. The Outdoor laminate is a Gloss 2 mil cast vinyl film and is 150' in length.

Size	25"x200'	38"x200'	41"x200'	51"x200'
Gloss	$149 (GU25200)	$198 (GU38200)	$219 (GU41200)	$275 (GU51200)
Luster	$199 (LU25200)	$275 (LU38200)	$299 (LU41200)	$368 (LU51200)
Matte	$199 (SU25200)	$275 (SU38200)	$299 (SU41200)	$368 (SU51200)
Outdoor Gloss	$199 (DC2150)	$289 (DC38150)	———	$389 (DC51150) *150' roll length

Scuff Resistant Over-Laminate Sheet Films
High quality laminating film cut in ready to use sheets. Films are thicker for ease of use when applying by hand and adhesives are also thicker to minimize "orange peel" and "silvering" effects. Gloss film is a 5 mil hard coat film with mirror type gloss levels and can also be used for write-on wipe-off requirements. Matte film is a 5 mil polycarbonate with a slight texture to minimize handling and fingerprints. Great for high quality photographic and inkjet prints. Features permanent acrylic adhesive. (10 sheets/pack)

Size	18"x24"	24.5"x36.5	25"x200'	38"x200'
Gloss	$39 (GU1824)	$78 (GU2436)	$339 (HGC25200)	$499 (HGC38200)
Matte	$42 (SU1824)	$79 (SU2436)	$320 (PC25150)	$445 (PC25150) *150' roll length
Canvas	$44 (CN1824)	$84 (CN2436)	$225 (CUBP25200)	$399 (CUPB38200)
Did you know….
D&K has manufactured adhesive coated films in the USA for over 30 years and OEMs products for some of the best known names in the industry. We are proud to offer these films to you at factory direct savings.

Heat Activated Laminating Films

Gloss Thermal Over-Laminate Roll Films

High quality over-laminate films with low temperature adhesive (i.e. 185 to 200 degree operating temperatures depending on running speed). Films are all high grade optically clear polyester films with UV absorbers for maximum protection against fading.

Thickness	25"x200'	38"x200'	43"x200'	51"x200'
3 mil	$ 44 (IG25203)	$59 (IG38203)	$ 67 (IG43203)	$ 79 (IG51203)
5 mil	$ 69 (IG25205)	$98 (IG38205)	$110 (IG43205)	$125 (IG51205)
10 mil	$179 (IG25254)	$248 (IG38254)	$279 (IG43254)	$322 (IG51254)

Superstick® Thermal Over-Laminate Roll Films

Laminating film featuring SuperStick Adhesive Technology. SuperStick is a patented combination of pressure sensitive and thermal adhesives giving the benefits of pressure sensitive bonding with the convenience of thermal adhesives. Approved by Xerox and Canon for use on color prints with Fuser oils and glossy papers.

Finish	25"x200'	38"x200'	41"x200'	51"x200'
Satin	$165 (FGL25205)	$228 (FGL38205)	$248 (FGL41205)	$310 (FGL51205)

Low Cost Thermal Mount Backing Encapsulating Roll Film

High quality white paper board coated with Superstick adhesive and poly coated on the back for added protection. 10 mil thick. Use when encapsulating and a thicker finish is required.

Finish	25"x200'	38"x200'	43"x200'	51"x200'
10 mil white	$118 (MB25200)	$176 (MB38200)	$198 (MB43200)	$228 (MB51200)

Mounting & Laminating Accessories

Un-Do Adhesive Remover The "all in one" adhesive removal system; UN-DU® safely removes all self-sticking and pressure sensitive stickers, tapes, Velcro and adhesives on contact and then evaporates without staining. 4 oz. (AL-UN2) $9.95.

Roll Laminator Cleaning Kit includes petroleum based cleaner aggressive yet safe for silicon rolls, a Scotch-Brite pad for heavy build-up areas and a textured sponge for clean-up purposes. (960001) $34.95.

Production Adhesive Eraser Dense rubber block for use when the laminator is hot to remove small deposits of adhesive. 6" Long (980100) $9.95.

Particulate Media Cleaner This 12" wide roller is used to clean dust particles from your images or boards prior to lamination. Dust is removed from roller by adhesive pads sold separately. 12" PMC Roller (960003) $234.95 Cleaning pads (50) $34.95.

Foam Board Corner Protectors Box of 100 3/16" and 1/4" plastic corner protectors. Keeps edges from being dented. For shipping. (880020) $10.95.
Infrared Thermometer A convenient hand held thermometer to check the roll temperature of rolls to help monitor laminator performance (960002) $39.95.

Foam Board Edge Mouldings For use with 3/16" and 1/4" foam boards. Eight foot extrusions are easy to size. Corners complete the frame. 10 extrusions per pack (white 611130 / black 611140). 100 corners per box. (white 414130 / black 414140)
Edge Mouldings - $88   **Edge Corners - $44**   **pvc Cutter $17.95**

Pouch Mounting Supplies

One Pass™ **Pouch Boards feature SuperStick® adhesive on our laminating films. SuperStick adhesive is a breakthrough adhesive which surpasses conventional adhesives. Adhering to the widest range of prints, including RC photos and glossy papers, SuperStick has been approved by Xerox and Canon and minimizes the issues with adhesive and paper compatibility. Make sure your pouch boards use SuperStick technology.**

One Pass™ Pouch Boards

Available in 3/16" thick white or all black foam boards. Choose from our low temperature adhesive boards or with one of our over-laminate films attached including: Gloss; Matte non-reflective finish with a slight texture which is scuff resistant; or Canvas. Mounting board cover sheets have exclusive insert folded edge. **No tape needed!** 10/box.

White Foam Pouch Boards

Size	Mounting	Gloss	Matte

***One Pass* Thin Pouch Boards** 25 mil thick white paper board with low temperature heat activated adhesive available with or without gloss over-laminate film. Rigid enough to stand-up with an easel and can be used with all pouch laminators. Great for presentations for easy transport. 25/box.

Size	Mounting	Gloss
9" x 11.5"	$18 (601182)	$29 (601181)
11.5"x 17.5"	$36 (601185)	$49 (601183)
18.5"x 25"	$53 (601187)	$99 (601186)
25" x 37"	$99 (601189)	$165 (601188)

Half the cost of foam board!

SuperStick Mounting Pouches Mounting Pouches are film pouches with a heat activated adhesive backing. To use, just place the Mounting pouch on any rigid substrate, insert your print between the film sheets and use as you would a pouch board. The gloss is a 5 mil thick film, the smooth matte is a writeable surface and the matte is textured surface. And because these all use SuperStick adhesive, you can **use these on Gator, Sintra, Corrugated plastic and all rigid boards.** 10/box.

Size	Gloss	Smooth Matte	Matte	Canvas
9"x11.5" (50)	$59 (601910)	——-		
11"x17.5" (50)	$79 (601912)	——		
24.5"x36.5"	$39 (601914)	$79 (601924)	$69 (601944)	$59 (601934)
30"x40"	$49 (601916)	$109 (601926)	$95 (601946)	$95 (601936)
36"x48"	$69 (601918)	$134 (601928)	$147 (601948)	$133 (601938)

Gator® Pouch Boards

Pouch Boards made from 3/16" thick Gator Board coated with a heat activated adhesive and a laminate using SuperStick adhesive technology. (10/box except 36"x48" 5/box)

White Gator Pouch Boards

Document Pouch Lamination

Featuring Commercial Laminating Solutions

Professional High Volume Pouch Laminators by Fellowes

Designed for continuous use, the SPL125 13" pouch laminator with variable speed runs up to 3 times the speed of other laminators. It has **heated rollers for glass-like results** without carriers, convenient reference guide for variable heat and speed settings, quick heat-up and automatic shut-off. Laminates film up to 10 mils, adheres foils and mounts on boards up to $1/8$" thick. Use with any large documents up to 13"x19" in size.
Compare this pouch machine to any roll laminator!

Fellowes SPL 125 Laminator (Item 609720) $ 395

Laminating Pouches

Use 1.5 mil for books, 3 mil for general use, 5 mil for documents handled frequently. Single side pouches are 3 mil clear, on top with white backing. 100/box except 18"x24" and larger 50/box.

Board, Film and Paper Cutters

Professional Cutters and Trimmers
Cutting is the most time consuming part of finishing a print for display. Our cutters deliver precise professional results every time.

Combination Board cutter/Rolling trimmer
Fletcher 48" & 65" Wall or table mounted cutter

Cuts Foam board, Gator board, pvc, Corrugated Plastic and more up to 1/2 inch thick and in less than 10 seconds converts to a rolling trimmer for paper and banner stocks. No more need to buy both a rotary trimmer and a board cutter. Just change the blade holder with a trimming wheel, insert the self-healing cutting strip and you're ready to trim your papers and media. Can be mounted on a wall to save space or used on a table. Includes wall mount kit, blades and trimming wheel.

Item	Cutting Width	Price
F04-725	48"	$ 795
F04-726	65"	$ 888
Blades (100)		$ 25
Cutting Wheel		$ 25

Blade Holder   **Trim Wheel**

Keencut Sabre™ General Purpose Cutter
Designed to cut a wide range of sheet materials. The Keencut Sabre offers a standard of straight, square and clean cutting. The innovative hinge and lift arm mechanism makes it possible to cut materials which are longer than the length of the cutter and accepts materials of varying thickness without affecting either the line or angle of cut. A full length silicon rubber grip strip mounted in the surface of the base and two more on the underside of the cutter bar ensures all work is held perfectly in place while cutting. Uses standard utility blades. Stand optional.

- Corrugated Plastics up to 12mm thick
- Scores Acrylics

- Gator board up to 1/2 inch
- Mat board
- Glass up to 1/4 inch
- DiBond up to 4mm

$2,520
Self-healing Cutting mats
Protect work surfaces and insure consistent results

All of our cutting mats are made from multi-ply construction to insure self-healing. The middle layer is hard, supports the entire mat, and prevents knives from cutting through which protects the work table and keeps knives from becoming dull more quickly. The top and bottom layer are soft and easily flow back together after cutting to regain their new appearance. One inch grid Pattern on all mats except where noted.
